(Directing Payment to an Agent)

State:
County:
Owners: (Names and Addresses)
Effective Date:

Each of the Owners, named above, are lessors in the Oil, Gas, and Mineral Lease (the "Lease"), dated _____, recorded in Book _____, page _____, of the _____ Records of _____ County, _____, granted to _____ as Lessee.

Paragraph _____ of the Lease allows the Lessee to maintain the Lease in force and effect during the stated primary term by the payment of delay rentals. These payments are to be made directly to the lessors in the Lease, or to the depository designated in the Lease. Owners, as lessors, desire to amend the Lease to provide that all delay rentals which may be paid by the Lessee under the terms of the Lease, to the Owner's signing this Agreement, are to be paid to (Name) at (Address) (the "Agent")

Each of the Owners acknowledge and agree that all payments of delay rentals made to Agent, in the manner provided for in the Lease, shall be deemed to have been made to Owners and serve to satisfy Lessee's obligations to make delay rental payments to perpetuate the Lease.

This Agreement for Agent to receive delay rental payments due Owners shall remain in effect and binding on Owners until _____ days after Owners and/or their successor or assigns have provided Lessee, or its successors or assigns, written notice that Agent is to no longer receive delay rental payments for Owners, and provide Lessee written instructions as to the manner in which any future delay rental payments, due Owners, are to be paid.

This Agreement may be signed by the Owners in multiple counterparts and shall be binding on each signing Owner regardless of whether all identified Owners sign it or a counterpart of this Agreement. The Owners are signing this Agreement as of the date of acknowledgment of their respective signatures, but it shall be deemed effective as to each Owner that signs the Agreement or a counterpart as of the Effective Date stated above.
